ALIFAH MAULIDDIN NUR IKHSAN, S.T.

Network & Systems Infrastructure Engineer · BNSP Certified · Cross-Border Operations & Web Systems

Yogyakarta, Indonesia (WFO / On-Site Yogyakarta) · +62 857-1349-9514 · alif.maulidin@gmail.com
LinkedIn: linkedin.com/in/maulidinalif · GitHub: github.com/mauliv · Portfolio: mauliv.github.io

Information Technology graduate from Universitas Negeri Yogyakarta (GPA: 3.77 / 4.00) and certified Junior Network Administrator (BNSP). Possesses a formal vocational background in Computer Network Engineering (SMK N 3 Yogyakarta), practical experience in Cisco switch cabling and campus LAN deployment at UPT Telematika UPN Veteran, and enterprise wireless networking training from Arubalympics 2020. Combines core networking fundamentals (TCP/IP, VLANs, routing, subnetting) with 5 years of international higher education operations and high-concurrency web systems development (Pemilwa UNY, 39,725 voters, 100% availability). Certified full professional English proficiency (TOEIC 925 / 990, CEFR C1; EF SET 71 / 100, C2). Seeking a Network Engineer role with versatile capabilities across systems and application support.

EDUCATION & CERTIFICATIONS

Universitas Negeri Yogyakarta (UNY) — Yogyakarta, Indonesia
Bachelor of Engineering (S.T.) in Information Technology | GPA: 3.77 / 4.00 — Graduated: July 2026

- **Undergraduate Thesis:** Application of WebQual 4.0 & Importance-Performance Analysis (IPA) to Measure the Quality of UNY International Mobility Information System (SIMOBY UNY).

SMK Negeri 3 Yogyakarta — Yogyakarta, Indonesia
Vocational High School Diploma, Computer Network Engineering (TKJ) | Average Score: 85.3 — 2016 – 2019

- **Vocational Networking Capstone:** Network Attached Storage (NAS) Server Deployment with XigmaNAS: configured FreeBSD ZFS storage pools, RBAC, and multi-user NFS/SMB network shares.

Key Credentials & Language Certifications — Verified Scores & Badges
National Competency Licenses & International Language Proficiency — 2021 – Present

- **Certified Junior Network Administrator:** National Professional Certification Board (BNSP) & LSP UNY (SKKNI J.611000, MTCNA/CCNA equivalent baseline).
- **Official English Proficiency (TOEIC 925 / 990):** Educational Testing Service (ETS), CEFR C1 Advanced Level, Listening 485, Reading 440; EF SET Certificate Score 71/100 (CEFR C2 Proficient).
- **System Administration & IT Infrastructure:** Google & Coursera Professional Certificate covering hardware, networking protocols, OS management, and infrastructure services.

PROFESSIONAL EXPERIENCE

International Office, UNY — Yogyakarta, Indonesia
IT Systems & International Operations Lead (Student Employee Appointment) — August 2020 – July 2026

- **Cross-Border Mobility & Operational Leadership:** Appointed across 5 consecutive annual rector decrees as technical student employee and operations lead; managed 10 recurring international exchange cohorts across 2 institutional partners (7 Nanyang Polytechnic Singapore, 3 Western Sydney University Australia) alongside office network, printer, and workstation support.
- **Statutory Immigration Compliance:** Administered statutory immigration workflows with the Directorate General of Immigration: processed e-visas, limited stay permits (ITAS), domicile certificates (SKTT), and exit permits for 200+ foreign scholars and students with zero regulatory infractions across 5 years.
- **Flagship Events & Diplomatic Protocol:** Coordinated student operations and 20 liaison officers across parallel partnership roundtables at GLOSHIP 2025, facilitating inter-institutional agreements with global university delegations; led event logistics for the 11th Global Culture Festival (GCF 2024) hosting 100+ international students from 35 nations.
- **Web Portal & Mobility CRM Liaison:** Maintained the official International Office web portal (io.uny.ac.id) and student mobility registration forms; served as operational user liaison for the SIMOBY mobility CRM, evaluating system usability using WebQual 4.0 and IPA for undergraduate engineering research.

Universitas Negeri Yogyakarta — Yogyakarta, Indonesia
Lead Developer: Pemilwa E-Voting Platform (University Appointment) — August 2020 – Present

- **High-Concurrency Web Systems & 100% Availability:** Built and maintained the university student election platform (pemilwa.uny.ac.id) using Native PHP and PostgreSQL; served 39,725 eligible student voters across 8 faculties with 100% service availability over 5 consecutive annual election cycles.
- **Transaction Integrity & Concurrency Control:** Engineered a 5-tier unified single-page ballot presenting all student governance races on one screen; enforced multi-ballot submissions with PostgreSQL row locking, preventing vote loss and race conditions during peak voting hours.
- **SSO Security & Network Transport Integrity:** Integrated institutional Central Authentication Service (CAS) Single Sign-On over TLS with university IT (UPT TIK), built dual-key election committee unlock modules, and logged session audit trails on campus on-premise servers.

TECHNICAL INTERNSHIPS & TEACHING EXPERIENCE

UPT Telematika, UPN 'Veteran' Yogyakarta — Yogyakarta, Indonesia
Computer Network Engineering Intern — September 2018 – November 2018

- **Campus Network Infrastructure:** Assisted senior network engineers with Cisco switch installation, fiber optic termination, and campus laboratory local area network (LAN) configuration and structured cabling.

Faculty of Engineering, Universitas Negeri Yogyakarta — Yogyakarta, Indonesia
Teaching Assistant (Asisten Dosen): Web Development & Fundamental Programming — January 2024 – July 2024

- **Curriculum & Technical Instruction:** Instructed 40+ electrical engineering undergraduates in web development (HTML, CSS, JavaScript, PHP, MySQL) across two semesters, conducting weekly laboratory coding sessions and code reviews.
- **Project Mentorship:** Guided 40+ students through end-to-end web deployment projects, teaching relational database schema design, coding standards, and local server setup.

PrivyID (PT Privy Identitas Digital) — Yogyakarta, Indonesia
Data Operations & Verification Intern — June 2019 – August 2019

- **Identity Verification & Compliance:** Processed and verified client identity credentials in accordance with national digital certificate regulations and ISO/IEC 27001 data security procedures.

LEADERSHIP & COMMUNITY IMPACT

UKM Rekayasa Teknologi (RESTek) UNY — Yogyakarta, Indonesia
Chairman & Head of IT Research Division (INFINITE) — November 2019 – January 2023

- **Organization Leadership:** Served as Chairman of the student engineering research organization across 5 technical divisions; managed team budgets, project milestones, and competition preparation.
- **National Competition Result:** Coordinated team operations culminating in 1st Place National Champion at Kontes Mobil Hemat Energi (KMHE 2022) in the Urban Concept ICE Gasoline category.

Google Developer Student Clubs (GDSC), UNY Chapter — Yogyakarta, Indonesia
Chapter Lead & Technical Director — August 2020 – August 2022

- **Community Leadership:** Led the Google Developer Student Clubs chapter at UNY, organizing technical workshops, study jams, and speaker sessions for over 200 student members across Web Development and Cloud tracks.

National Rural MSME Digitalization Grant (Ministry of Education PHP2D) — Gunungkidul, Indonesia
Technology Lead & Grant Co-Recipient — July 2021 – December 2021

- **Grant Technical Lead:** Co-recipient and technical lead for an IDR 44.6M community empowerment grant from the Ministry of Education (Belmawa) to support rural food production and order routing.

PUBLICATIONS, HONORS & INTERNATIONAL DELEGATIONS

- **International Delegations:** Selected Indonesian delegate for Sakura Science High School Program (JST Tokyo, Japan, 2018) & PKNU International Summer School (Busan, South Korea, 2024).
- **Peer-Reviewed Journal Publication (JATIKA):** Co-authored 'Science Card Games Berbasis Augmented Reality sebagai Solusi Mengatasi Learning Loss Pasca Pandemi COVID-19' in Jurnal Informatika dan Rekayasa Perangkat Lunak (JATIKA, Vol. 3 No. 4, Dec 2022).
- **Two National Copyrights (HKI):** Granted official software & visual-aid copyrights by DJKI Kemenkumham for 'Plant Escape: Science Card Application' (No. 000377191) & 'Plant Escape: Science Card Games' (No. 000377182).
- **1st Place National Champion:** Energy-Efficient Vehicle Contest (KMHE 2022, Urban Concept ICE Gasoline), National Achievement Center / Ministry of Education.
- **National Research Grant & Finalist:** National Student Research Grant (PKM-RSH) funded by the Ministry of Education & National Student Science Olympiad Finalist (PIMNAS 35, 2022).

SKILLS, TOOLS & LANGUAGE PROFICIENCIES

- **Networking & Hardware:** Cisco Switch 3850, Routing & Switching fundamentals, VLANs (802.1Q), TCP/IP, Subnetting (CIDR), DNS, DHCP, VPN, Fiber Optic & Twisted Pair termination, Network Attached Storage (NAS).
- **Systems, Linux & Monitoring:** Linux (Ubuntu/Debian), Nginx, ping, traceroute, Wireshark, basic PRTG/SolarWinds concepts, Google Cloud Platform (GCP).
- **Web Systems & Databases:** Native PHP, Laravel, PostgreSQL, MySQL, JavaScript, TypeScript, HTML5/CSS3, Tailwind CSS, REST APIs, Git.
- **Languages & English Proficiency:** English (Full Professional: Official TOEIC Score 925/990, ETS, CEFR C1; EF SET Score 71/100, C2 Proficient), Indonesian (Native), Malay (Working Familiarity), Javanese (Native).
