ALIFAH MAULIDDIN NUR IKHSAN, S.T.

Application Support & Systems Engineer · Relational Databases, Linux & Web Systems

Yogyakarta, Indonesia (WFO / On-Site Yogyakarta) · +62 857-1349-9514 · alif.maulidin@gmail.com

LinkedIn: linkedin.com/in/maulidinalif · GitHub: github.com/mauliv · Portfolio: mauliv.github.io

Information Technology graduate from Universitas Negeri Yogyakarta (GPA: 3.77 / 4.00) with 5 years of practical experience in web platform deployment, relational database management (SQL / PostgreSQL), server log analysis, and Linux environments. Proven track record as Lead Developer of UNY's official student election platform (Pemilwa), ensuring 100% service availability across 5 annual election cycles for 39,725 eligible voters through rigorous database transaction handling, row locking, and CAS SSO authentication monitoring. Brings extensive cross-border communication and operational support experience from the UNY International Office, paired with verified English proficiency (TOEIC 925 / 990, CEFR C1; EF SET 71 / 100, C2). Certified Junior Network Administrator (BNSP), providing strong troubleshooting versatility across both application and network transport layers. Seeking an Application Support role.

EDUCATION & CERTIFICATIONS

Universitas Negeri Yogyakarta (UNY) — Yogyakarta, Indonesia

Bachelor of Engineering (S.T.) in Information Technology | GPA: 3.77 / 4.00 — Graduated: July 2026

- **Undergraduate Thesis:** Application of WebQual 4.0 & Importance-Performance Analysis (IPA) to Measure the Quality of UNY International Mobility Information System (SIMOBY UNY).

SMK Negeri 3 Yogyakarta — Yogyakarta, Indonesia

Vocational High School Diploma, Computer Network Engineering (TKJ) | Average Score: 85.3 — 2016 – 2019

- **Vocational Infrastructure Capstone:** Network Attached Storage (NAS) Server Deployment with XigmaNAS: configured FreeBSD ZFS storage pools, RBAC, and multi-user NFS/SMB network shares.

Key Credentials & Language Certifications — Verified Scores & Badges

National Competency Licenses & Professional IT Certifications — 2020 – Present

- **Official English Proficiency (TOEIC 925 / 990):** Educational Testing Service (ETS), CEFR C1 Advanced Level, Listening 485, Reading 440; EF SET Certificate Score 71/100 (CEFR C2 Proficient).
- **System Administration & IT Infrastructure:** Google & Coursera Professional Certificate covering hardware, networking protocols, OS management, and infrastructure services.
- **Certified Junior Network Administrator:** National Professional Certification Board (BNSP) & LSP UNY (SKKNI J.611000).
- **Arubalympics 2020 (HPE Aruba & APTIKOM):** Official Delegation Member (Certificate of Delegation), immersion in enterprise WLAN architectures and scalable campus network principles.

PROFESSIONAL EXPERIENCE

Universitas Negeri Yogyakarta — Yogyakarta, Indonesia

Lead Developer & Application Maintainer: Pemilwa E-Voting Platform (University Appointment) — August 2020 – Present

- **Application Deployment & 100% Availability:** Deployed and maintained the university student election platform (pemilwa.uny.ac.id) on on-premise Linux servers; served 39,725 eligible student voters across 8 faculties with 100% service availability over 5 consecutive annual election cycles.
- **Database Troubleshooting & Concurrency Control:** Managed PostgreSQL relational database schemas, executing and tuning SQL queries with ACID-compliant row locking (SELECT ... FOR UPDATE) to ensure transaction integrity and prevent vote dropouts during peak traffic spikes.
- **Log Analysis & Authentication Security:** Monitored server access and error logs, analyzed TLS session logs for CAS Single Sign-On authentication in coordination with university IT (UPT TIK), and resolved authentication edge cases with zero security breaches.

International Office, UNY — Yogyakarta, Indonesia

IT Systems & International Operations Lead (Student Employee Appointment) — August 2020 – July 2026

- **Office IT Support & Systems Maintenance:** Appointed across 5 consecutive annual rector decrees as technical student employee; provided daily office IT support (local network, workstations, peripherals), and maintained the official web portal (io.uny.ac.id) and student mobility forms.
- **User Liaison & Application Usability:** Served as operational user liaison for the SIMOBY international mobility CRM, gathering staff and student feedback, tracking issue tickets, and evaluating system quality using WebQual 4.0 and IPA for undergraduate engineering research.
- **Cross-Border Operations & Compliance:** Administered statutory immigration workflows with the Directorate General of Immigration: processed e-visas, limited stay permits (ITAS), and domicile certificates for 200+ foreign scholars and students with zero regulatory infractions.
- **Diplomatic Protocol & Flagship Events:** Coordinated student operations and 20 liaison officers across parallel partnership roundtables at GLOSHIP 2025, facilitating inter-institutional agreements with global university delegations; led event logistics for the 11th Global Culture Festival (GCF 2024) hosting 100+ international students from 35 nations.

TECHNICAL INSTRUCTION & INDUSTRY INTERNSHIPS

Faculty of Engineering, Universitas Negeri Yogyakarta — Yogyakarta, Indonesia
Teaching Assistant (Asisten Dosen): Web Development & Fundamental Programming — January 2024 – July 2024

- **Curriculum & Technical Instruction:** Instructed 40+ electrical engineering undergraduates in web development (HTML, CSS, JavaScript, PHP, MySQL) across two semesters, conducting weekly laboratory coding sessions and code reviews.
- **Deployment & Database Mentorship:** Guided 40+ students through end-to-end web deployment projects, teaching relational database schema design, session debugging, coding standards, and local server setup.

PrivyID (PT Privy Identitas Digital) — Yogyakarta, Indonesia
Data Operations & Verification Intern — June 2019 – August 2019

- **Data Verification & Compliance:** Processed and verified client identity credentials in accordance with national digital certificate regulations and ISO/IEC 27001 data security procedures.

UPT Telematika, UPN 'Veteran' Yogyakarta — Yogyakarta, Indonesia
Computer Network Engineering Intern — September 2018 – November 2018

- **Campus Network Infrastructure:** Assisted senior network engineers with Cisco switch installation (Catalyst 3850), fiber optic termination, and campus laboratory local area network (LAN) configuration and structured cabling.

LEADERSHIP & COMMUNITY IMPACT

UKM Rekayasa Teknologi (RESTek) UNY — Yogyakarta, Indonesia
Chairman & Head of IT Research Division (INFINITE) — November 2019 – January 2023

- **Organization Leadership:** Served as Chairman of the student engineering research organization across 5 technical divisions; managed team budgets, project milestones, and competition preparation.
- **National Competition Result:** Coordinated team operations culminating in 1st Place National Champion at Kontes Mobil Hemat Energi (KMHE 2022) in the Urban Concept ICE Gasoline category.

Google Developer Student Clubs (GDSC), UNY Chapter — Yogyakarta, Indonesia
Chapter Lead & Technical Director — August 2020 – August 2022

- **Community Leadership:** Led the Google Developer Student Clubs chapter at UNY, organizing technical workshops, study jams, and speaker sessions for over 200 student members across Web Development and Cloud tracks.

National Rural MSME Digitalization Grant (Ministry of Education PHP2D) — Gunungkidul, Indonesia
Technology Lead & Grant Co-Recipient — July 2021 – December 2021

- **Grant Technical Lead:** Co-recipient and technical lead for an IDR 44.6M community empowerment grant from the Ministry of Education (Belmawa) to support rural food production and order routing.

PUBLICATIONS, HONORS & INTERNATIONAL DELEGATIONS

- **International Delegations:** Selected Indonesian delegate for Sakura Science High School Program (JST Tokyo, Japan, 2018) & PKNU International Summer School (Busan, South Korea, 2024).
- **Peer-Reviewed Journal Publication (JATIKA):** Co-authored 'Science Card Games Berbasis Augmented Reality sebagai Solusi Mengatasi Learning Loss Pasca Pandemi COVID-19' in Jurnal Informatika dan Rekayasa Perangkat Lunak (JATIKA, Vol. 3 No. 4, Dec 2022).
- **Two National Copyrights (HKI):** Granted official software & visual-aid copyrights by DJKI Kemenkumham for 'Plant Escape: Science Card Application' (No. 000377191) & 'Plant Escape: Science Card Games' (No. 000377182).
- **1st Place National Champion:** Energy-Efficient Vehicle Contest (KMHE 2022, Urban Concept ICE Gasoline), National Achievement Center / Ministry of Education.

SKILLS, TOOLS & TECHNICAL PROFICIENCIES

- **Databases & SQL Management:** PostgreSQL, MySQL, Relational Database Schema Design, SQL Query Optimization, Transaction Handling (Row Locking), ACID Compliance.
- **Application Support & Linux Systems:** Linux (Ubuntu/Debian), Log Analysis (tail, grep), Web Server Deployments (Apache, Nginx, foundational understanding of IIS/Windows environments), REST APIs, Git, Incident Troubleshooting.
- **Web Development & Scripting:** Native PHP, Laravel, JavaScript, TypeScript, HTML5/CSS3, Tailwind CSS, Bootstrap, Python.
- **Network Infrastructure:** Cisco Switch (Catalyst 3850), MikroTik RouterOS, TCP/IP, VLANs (802.1Q), Subnetting, DNS, DHCP, VPN, Network Attached Storage (NAS), BNSP Certified.
- **Languages & English Proficiency:** English (Full Professional: Official TOEIC Score 925/990, ETS, CEFR C1; EF SET Score 71/100, C2 Proficient), Indonesian (Native), Malay (Working Familiarity), Javanese (Native).
